

Name _____

Block _____

Warm-Ups
Week of September 8-12, 2014

Directions: Complete the daily problem the first ten five minutes of class. Warm-up entries will be grade on content and accuracy of information, so please be detailed with your responses. Warm-ups are due every Friday.

Day 1

Draw a picture of a mathematician and describe what a mathematician does.

Day 2

Does mathematics or math class scare you in any way?

Friday

My best kept secret about math is... It makes me feel like...
